

# *CMS Chiropractic Demonstration Compliance Education Medical Necessity, Documentation and Fraud and Abuse Prevention*

	<ol style="list-style-type: none"> <li>1. How to establish medical necessity through correct coding and documentation for expanded coverage under New Medicare guidelines, national and local policies;</li> <li>2. How to document medical necessity in accordance with Medicare Evaluation and Management Documentation Guidelines from CMS and WPS official publications;</li> <li>3. How to prove medical necessity by appropriately ordering diagnostic tests, such as MRI, or CT scans, in accordance with local Medicare LCD to support medical necessity beyond manual palpation and x-rays;</li> <li>4. How to obtain, understand and implement CMS "1997 Documentation Guidelines for Evaluation and Management Services";</li> <li>5. How to obtain, understand and benefit from WPS publication: "Evaluation and Management Guidebook";</li> <li>6. How to understand CMS/Medicare initiatives in "Fighting Fraud &amp; Abuse" by enjoying expanded coverage through medically appropriate medical care and documentation without "analysis and paralysis" avoidance of Medicare new chiropractic demo practice;</li> <li>7. How to truly understand National Correct Coding Initiative (NCCI) to avoid fraud and abuse with official CMS publications in presentation and reference guide;</li> <li>8. How to understand WPS Medicare Part B - Illinois Policy on "Magnetic Resonance Imaging";</li> <li>9. Most importantly, learn how to obtain through Internet, understand and educate yourself for all of these through official publications from CMS and WPS;</li> </ol>
---	--

**You shall always guide your practice based on the applicable official CMS publications with precise and correct understanding of subject matter. We will teach you how to search, download and understand all of these publications and specific guidelines from CMS and WPS.**
